

INTRODUCING MARKX

MARKX is an independent, contemporary singer songwriter. Against all advice, in 2013, he walked out of a successful corporate career to pursue his dream in the music industry.

He has since penned songs with writers behind the world's biggest artists including Beyoncé, Jennifer Lopez & Leann Rimes.

In 2019 he released a series of 4 EPs 'Water', 'Earth', 'Air' & 'Fire' preceded by his critically acclaimed debut album 'Laments'.

THE MUSIC
